

The **13th MATTADOR International Screenwriting Award dedicated to Matteo Caenazzo** has opened to **Italian and foreign young authors aged from 16 to 30**. We kindly ask for your collaboration in the dissemination of the Competition.

The Award, conceived and promoted by the MATTADOR Cultural Association, was born with the intent **to bring out and enhance new talents** who choose to approach a professional and artistic path in filmwriting. Over the years, the Prize has achieved a consolidated reliability that has made it a **point of reference** in the film industry and with production companies in search of new talents. This impact has been confirmed by the **results achieved by the winners** in the various editions who have established themselves in the field of screenwriting.

Among the **four** sections of the Prize, we point out the **DOLLY “Screenwriting with Pictures”** Award dedicated to the best story portrayed visually. **Starting from the 2021-2022 edition of the Competition**, a further effort is made to identify future authors who spontaneously use images instead of words to describe their stories on the basis of the well-known **“show, don’t tell”** screenplay rule.

The winner of the **DOLLY PRIZE** will be awarded a **Training Grant** and will be tutored by professionals in developing his/her story along a personal path based on his/her original idea, leading to the preparation of a complete **dossier** for a feature or animated film project. At the conclusion of the training programme, depending on the results achieved, an additional prize of **1,000 Euros** may be awarded.
