KTSK #2 – THE "FACE IT" EDITION
///// 18.01.2025 // 19:30 /////
Breitenseer Straße 21, 1140 Wien

You want your work to be screened in a fancy movie theatre? Then submit your film to be part of the KTSK programming. Experimental, animation, quick scenes, maybe a GIF, it doesn't matter. We want to signal-boost artists and create a new scene. So come by and mingle with us weirdos, even without a short.

After the crowded KTSK-premiere in September we look forward to a another fun hang. We'll face the new year together, everything that is to come, watching the films YOU submitted.

Go nuts, spread the word and... JOIN THE KLUB!
