KTSK #4 - "GETTING OLD" EDITION // 11.10.2025 // 19:30 // Breitenseer Straße 21, 1140 Wien

You want your work to be screened in a fancy movie theatre? Then submit it to be part of the KTSK programming. Experimental, premieres, high-brow art or maybe just some GIF you made years ago, animation, quick scenes, trash, It doesn't matter, we love it all. We try to signal-boost artists and create a new scene. So come by and mingle, even without a short. Treat your those old creaky bones.

After our first and very crowded KTSK-screenings we look forward to a another fun hang with all of you. Spread film love, the word, join the fun AND the Klub.

NOW better, bigger and OLDER than ever!!!
